

## Relational Somatic Psychology Workshop Series in Scottsdale, AZ

*Integrating Mind, Body & Emotions*

The **Relational Somatic Psychology Workshop Series** is a set of eight workshops that teach about Bioenergetics and stimulate self-growth.

This unique program is designed for individuals who are seeking a deeper understanding of their own development and mind-body experience. Each training day includes Bioenergetic exercises, discussion of theory, experiential exercises, and group process.

Join us for personal growth and connection!
